## **Introduction :-**

Started by experts, with an industry knowledge of over 30 years in the field of Carrom, Sunny Sports Industry Ltd, started its manufacturing with Siscaa Carrom Boards in 2015. We are the largest manufacturers of Carrom Boards and its accessories in India.

Siscaa's Managing Director, Mr. Atul Mehra with his immense knowledge, industry experience and expertise over the last 30 years has taken this Indoor Board game and the Company to a new scale altogether. Siscaa is known to be a leader in innovation in the industry.

Today the company has a capacity to meet a humongous demand of carrom boards. In this best in class manufacturing facility, quality of the products and materials used in the making are carefully selected and seasoned to get the best of boards out there, in the market.

Siscaa Carrom accessories are the most talked about product in time. They are the best quality coins and striker preferred by International and Tournament players and coaches. This set up is unique as it is run by women, thereby encouraging them to be self-dependent and feel more empowered to manage livelihood.

## **Vision :-**

The Company's vision is to set up one of the largest manufacturing units empowering more men and women to become independent, while they work with the largest Carrom manufacturing company.

## **Mission :-**

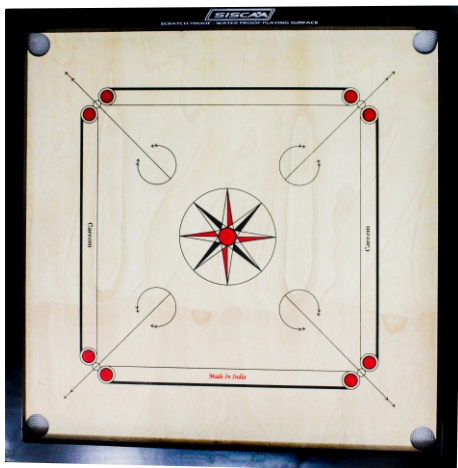

Company's mission is to have global presence in multiple countries to be the world's first preference when they think of Carrom. Premium quality at affordable prices is what Siscaa is known for. Company continues to make continuous improvements in its quality and types of boards and aims to be the first choice in the market.
